Subject: American Society of Highway Engineer's North-East Pennsylvania (ASHE NE PENN)  
Charles Mattei – Scholarship Fund – Wilkes University  
2010 Golf Tournament – Thursday, June 17, 2010

Dear Sponsors, Participants, Volunteers, Members and Guests:

It gives ASHE NE Penn great pleasure to announce that the Charles Mattei, P.E. Scholarship Fund at Wilkes University has attained permanent endowment status at the University. Thanks to your support, the 2009 tournament was a tremendous success raising nearly \$12,000 to help the fund reach endowment status. As always, the success is a direct result of the generosity and dedication of the sponsors, participants, tournament volunteers and golf course staff. We will continue to contribute to the fund with the proceeds of our golf tournament. Attached is a list of those who made a 2009 contribution to the scholarship fund.

On behalf of the Mattei family, ASHE North-East Penn would like to thank everyone for their generosity and participation in the 2009 Golf Tournament and for continuing this tribute to Chuck. We are looking forward to seeing everyone again at the 2010 tournament on Thursday, June 17, 2010 at Mountain Valley Golf Course in Mahanoy City.

Direct memorial donations may be made to: The Charles Mattei, P.E. Scholarship Fund  
c/o Wilkes University  
84 West South Street  
Wilkes-Barre, PA 18766

Very truly yours,

ASHE North-East Penn  
Dominic J. Yannuzzi, P.E., Tournament Director

Description of the Mattei Scholarship Fund at Wilkes University:

**The Charles Mattei, P.E. Scholarship Fund** is an endowed scholarship established in 2005 by the North-East Penn Section of the American Society of Highway Engineers. Mr. Mattei was the Pennsylvania Department of Transportation (PENNDOT) District 4-0 Engineer from 1986 to 2003. During this time, he made valuable contributions to the Transportation Industry in the State of Pennsylvania, particularly the Northeast Pennsylvania area. Mr. Mattei was also an Assistant Professor of Environmental Science and head men's lacrosse coach at Wilkes University for many years. The scholarship provides support to a deserving student pursuing a degree in science or engineering. The recipient must demonstrate strong collegiate academic performance (minimum GPA of 3.0) and above average service to the community and others. Although not a requirement, qualified students involved in campus programs and from the NE PA area will receive additional consideration. Each year at least two \$1,250.00 scholarships will be awarded.
