Subject: American Society of Highway Engineer's Northeast Pennsylvania (ASHE NE PENN)
Charles Mattei – Scholarship Fund – Wilkes University
2011 Golf Tournament – Thursday, June 16, 2011

Dear Sponsors, Participants, Volunteers, Members and Guests:

It gives ASHE NE Penn great pleasure to announce that the Charles Mattei, P.E., Endowed Scholarship Fund at Wilkes University continues to grow and provide financial support to worthy students. Thanks to your support, the 2010 tournament was a tremendous success raising nearly \$10,000. As always, the success is a direct result of the generosity and dedication of the sponsors, participants, tournament volunteers and golf course staff. The proceeds of this tournament will continue to fund the scholarship at Wilkes University. Attached is a list of those who made the 2010 contribution to the scholarship fund a reality.

On behalf of the Mattei family, ASHE North-East Penn would like to thank everyone for their generosity and participation in the 2010 Golf Tournament and continuing this tribute to Chuck. We are looking forward to seeing everyone again at the 2011 tournament on Thursday, June 16, at Mountain Valley Golf Course in Mahanoy City.

Direct memorial donations may be made to: The Charles Mattei, P.E. Scholarship Fund
c/o Wilkes University, 84 West South Street
Wilkes-Barre, PA 18766

Very truly yours,

ASHE Northeast Penn

Description of the Mattei Scholarship Fund at Wilkes University:

The Charles Mattei, P.E. Scholarship Fund is an endowed scholarship established in 2005 by the North-East Penn Section of the American Society of Highway Engineers. Mr. Mattei was the Pennsylvania Department of Transportation (PENNDOT) District 4-0 Engineer from 1986 to 2003. During this time he made valuable contributions to the Transportation Industry in the State of Pennsylvania, particularly the Northeast Pennsylvania area. Mr. Mattei was also an Assistant Professor of Environmental Science and head men's lacrosse Coach at Wilkes University for many years. The scholarship provides support to a deserving student pursuing a degree in science or engineering. The recipient must demonstrate strong collegiate academic performance (minimum GPA of 3.0) and above average service to the community and others. Although not a requirement, qualified students involved in campus programs and from the NE PA area will receive additional consideration. Each year at least two \$1250.00 scholarships will be awarded.
