Subject: American Society of Highway Engineer's Northeast Pennsylvania (ASHE NE PENN) 2013 Golf Tournament – Thursday, **June 20, 2013**
Charles Mattei Scholarships established at:
Wilkes, Penn State, Drexel, & Villanova Universities and Lafayette College

Dear Sponsors, Participants, Volunteers, Members and Guests:

ASHE NE Penn established the date for this year's golf tournament as **June 20, 2013**.

Over the many years, ASHE NE Penn golf tournaments have raised funds to establish the Charles Mattei, P.E., Scholarships. This year ASHE NE Penn is pleased to announce scholarships are now established at **five** Universities/Colleges: Wilkes, Penn State, Drexel, Villanova and Lafayette. Thanks to your support, the 2012 tournament was a tremendous success at raising over \$10,000. As always, the success is a direct result of the generosity and dedication of the sponsors, participants, tournament volunteers and golf course staff. The proceeds of this tournament will continue to fund scholarships in the name of Charles Mattei to help provide financial support to worthy students. Attached is a list of those who made the 2012 contribution to the scholarship funds a reality.

On behalf of the Mattei family, ASHE North-East Penn would like to thank everyone for their generosity and participation in the 2012 Golf Tournament and continuing this tribute to Chuck. We are looking forward to seeing everyone again at this year's tournament on **Thursday, June 20, 2013** at Mountain Valley Golf Course in Mahanoy City.

Very truly yours,

ASHE Northeast Penn

Please note: Substantial memorial donations may be made to each University/College in the name of Charles Mattei, P.E. as a tax-deductible 501(c)(3) donation. Please contact me for details.

General description of the Mattei Scholarships:

The Charles Mattei, P.E. Scholarship Fund is a scholarship established by the North-East Penn Section of the American Society of Highway Engineers. Mr. Mattei was the Pennsylvania Department of Transportation (PENNDOT) District 4-0 Engineer from 1986 to 2003. During this time he made valuable contributions to the Transportation Industry in the State of Pennsylvania, particularly the Northeast Pennsylvania area. Mr. Mattei was also an Assistant Professor of Environmental Science and head men's lacrosse Coach at Wilkes University for many years. The scholarship provides support to a deserving student pursuing a degree in science or engineering. The recipient must demonstrate strong collegiate academic performance (minimum GPA of 3.0) and above average service to the community and others. Although not a requirement, qualified students involved in campus programs and from the NE PA area will receive additional consideration. In 2012, eight scholarships were awarded at the Universities/Colleges.
